Forecast for Sunday 20 Sep 2020

Weather: A dry start to the day, some mist and fog patches around and a chilly start to Sunday. Patchy low cloud will spread across from coastal areas, perhaps into the Angus Glens but this should burn back by lunchtime. Dry in the afternoon with some sunshine.

Chance of cloud free mountain/hill tops above 800m: 60%, areas of cloud down to 500 metres. Cloud tending to lift and break by afternoon.

Visibility: Very good visibility for most ranges with far reaching views, poor in any fog patches.
